Permission

Search Permission

Access Management

View Accounts Dashboard

Allows listing and viewing basic information about users.

Manage Roles

Allows creating, editing, or deleting roles

Manage Permissions

Allows assigning or unassigning permissions to roles.

Edit User Accounts

Allows modifying user profiles (e.g., changing roles, updating personal info).

Deactivate / Delete User Accounts

Allows disabling or permanently removing user accounts from the system.

Document Library

View Documents Dashboard

Allows viewing documents in the system, including Senate bills, attachments, etc.

Create New Documents

Allows creating a new document entry in the system, including initial text or placeholders.

Upload Documents

Allows uploading new documents (e.g., scanned bills, supporting files) to the system.

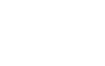

Edit Documents

Allows editing metadata or content of existing documents (e.g., rename, re-upload).

Comment on Bill

Allows adding internally viewable comments or feedback on documents.

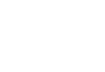

Approve Documents

Allows marking a bill as officially approved for further legislative action or publication.

Delete Documents

Allows permanent removal of documents from the system.

Publish Documents

Allows making a document publicly accessible or internally "official."

Event Management

View Events Dashboard

Allows viewing current event listings, schedules, and details.

Create Event

Allows scheduling or creating a new event (e.g., Senate session, public hearing).

Edit Event

Allows modifying event details such as date, time, description, or participants.

Delete Event

Allows removing an event from the schedule or calendar. Typical Roles: Admin, Super Admin.

View Sentiment Analytics

Allows access to metrics and analytics of the streaming (e.g., number of viewers, watch time).

Senate Building Delivery

View Deliveries Dashboard

Allows viewing a list of deliveries and associated details (e.g., sender, status, date).

Create Delivery

Allows creating or logging a new delivery record in the system.

Edit Delivery

Allows modifying details of an existing delivery (e.g., updating status, recipient).

Delete Delivery

Allows deleting an existing delivery record.

Senate Building Map

View Map Dashboard

Allows users to view interactive maps of the Senate building and surrounding areas.

Create Map

Allows internal users to add new elements (e.g., buildings, points of interest, facility markers)

Edit Map

Allow modifications to existing map elements, such as updating descriptions and coordinates.

Delete Map

Allow permanent removal of outdated or incorrect map elements from the system.

Approve Map Changes

Allow review and approve map edits before they are published to the public interface.

Publish Map Updates

Authorizes the final publication of approved map changes, making them live on the public-facing map.

Senate Building Room Booking

View Room Dashboard

Grants access to a comprehensive overview of all room booking activities

Manage Rooms

Allow user to add, update, or remove room listings, including setting capacities, facilities, and availability details.

Edit Room Booking

Enables users to modify details or cancel any room booking
