Estrada expresses displeasure over PNP's handling of Duterte ICC warrant execution: Senate President Pro Tempore Jinggoy Ejercito Estrada expressed disappointment over the Philippine National Police's (PNP) handling of the International Criminal Court's (ICC) arrest warrant against former President Rodrigo Duterte.

During the Committee on Foreign Relations hearing, Estrada cited footage of the incident in which Police Maj. Gen. Nicolas Torre III was heard saying he would forcefully drag someone. The senator stated that such remarks could negatively impact the PNP's image and reflect disrespect toward both the elderly and a former president.

Estrada admitted that the incident brought back memories of the police treatment he and his father, former President Joseph Estrada, experienced during their arrest in 2001.

He also criticized Torre for refusing to allow Vice President Sara Duterte to enter the premises and be with her father.
